

# ATTENTION PASSENGERS EMERGENCY INSTRUCTIONS

This car is equipped with an Emergency Tool in addition to the marked **EMERGENCY DOOR EXITS**. Other **EMERGENCY EQUIPMENT** is also provided.

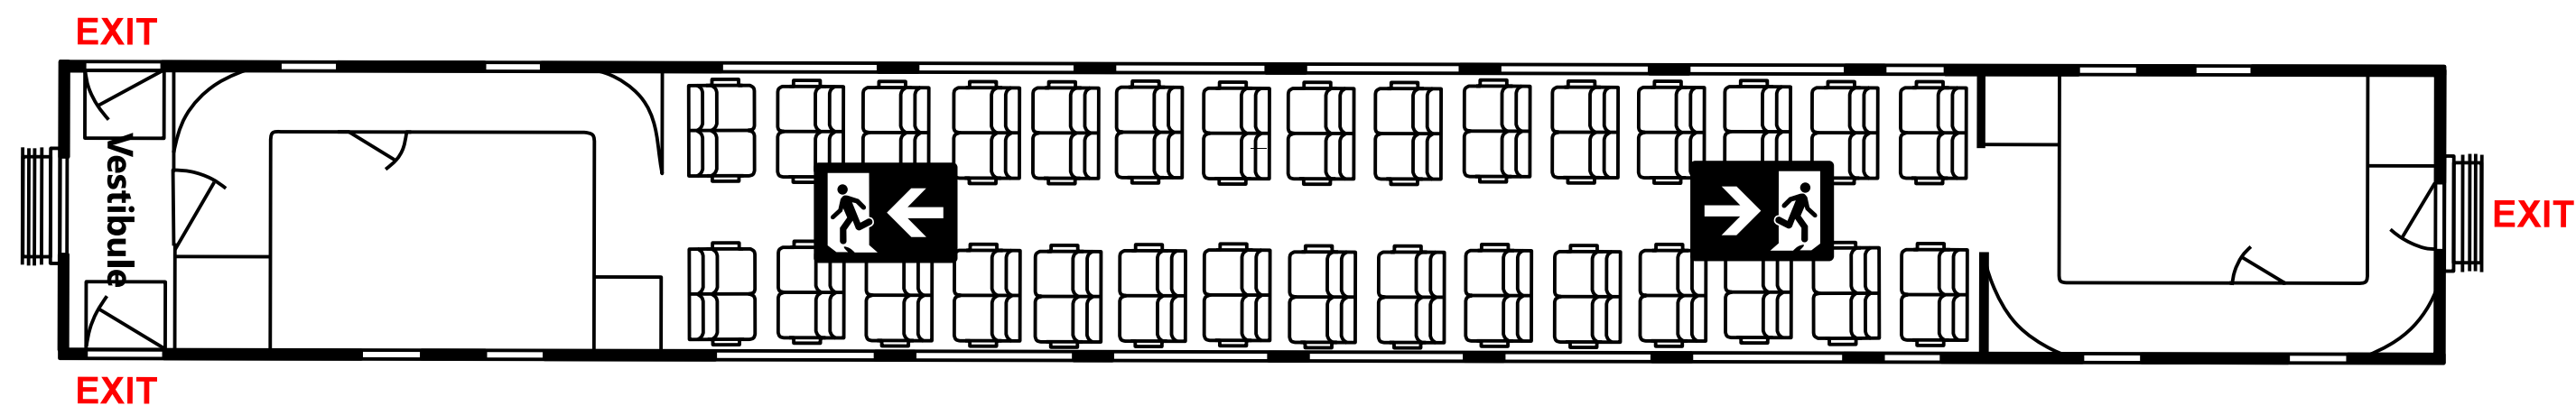

Please become familiar with the locations of all safety equipment.

If you are in need of medical assistance, inform your Car Attendant.

First Aid Kits, Fire Extinguishers, and Flashlights are located at each Car Attendants station.

In the rare event of an emergency evacuation, exit out of the nearest coach end door. A Car Attendant will be located at each exit to assist you.

If end doors are blocked, emergency tools are located at each Car attendants station and may be used to break and/or remove side windows.

## TO USE EMERGENCY WINDOWS:

1

Remove Emergency Tool from holder.

2

Break window glass.
